nickoVISION 🚢🚢🚢🚢

Ship type nicko modern

With its innovative design and completely new on-board concept, this river cruise ship of the year 2018 sets a new standard on the river. A ship for anyone who may have previously thought river cruises were a bit “outdated”. For anyone who doesn’t like having to decide already in the morning where and what they are going to eat in the evening. For anyone for whom spontaneous experiences and personal enjoyment is top priority when going on holiday. From the outside, the large glass surfaces and the striking lines of the river cruiser catch the eye immediately. On the inside, the modern atmosphere and lightness of the whole design is reflected in its elegant interior, which is bathed in light.

2 Bed Cabin Middle/Upper Deck

Open architecture: View over the panorama salon and main restaurant

Cabin information

Light colours and modern design with optimal use of space – we have invested a lot of passion in the furnishing and amenities you'll find in the 14 m² outside cabins. And the results could easily rival any first-class hotel room. The double beds can be separated into two singles if required. On the middle and upper deck, the openable French balconies ensure that you get the best views. The windows on the main deck can't be opened. You will find convenient storage shelves in every bathroom. Of course, you will also have plenty of space in the wardrobe for your clothes. The amenities also include individually adjustable air conditioning, radio, telephone, satellite TV, shower/WC, hairdryer, fridge and a safe.

On-board equipment

Three inclusive restaurants, panorama salon, VISIONbar with a veranda in the bow, sun deck with a pool, awning, deck chairs, chairs and tables, two large hammocks and a putting green. Fitness room with cardio equipment and dumbbells, wellness area with sauna and steam bath, library, lift between main, middle and upper deck, souvenir shop.

Means of payment

The on-board currency is Euro. At the end of the cruise, you can conveniently pay your bill and any excursions you booked on board in cash, with your debit card (PIN required) or with your credit card (MasterCard, VISA).
